CHABLES G. LENNON Druggist, Sole Agent, Alexandria, Va. ESTABLISHED 1852

The Alexandria Gazette on January 1st celebrated its one hundredth birthday, and still it possesses all the agility and alextness of a youngster. Father Time has not marred its perception, defaced its energy nor diminished its ardor, for it stands today the same clear-thinking, uncompromising exponent of democracy and the same unrivailed family newspaper as of yore. For a century it has been published continuously by the enowden family, and for a century it has remained a mystery how so much could be crowded into so little. There isn't a newspaper in Virginia that does not welcome it so one of its most valued exchanges, and every knight of the gray goose quill in the State will join us in wishing it many more years of usefulness.—
[Loudour Enterprise.

There is no controversy over the fact that on December 30 last the Alexandria Gazette completed its first century. This is a ripe old age for a newspaper but the Gazette, instead of becoming infirm, is more and more vigorous with its increase of years. The paper has been conducted from its beginning by a direct line of descendents to the present time. Alexandria city is fortunate indeed in having such an able expouent, and it is the wish of the Monitor that it may continue its usefulness for another century.—[Alexandria County Monitor.

He Only Repeats What Has Been Said Around The World.

It has been demonstrated repeatedly in every State in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain precome the universal remedy for that disease. M. V. Fisher, of Liberty, W. Va., only repeats what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for -ale by all druggists

AUGUST FLOWER.

"It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten vears, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesman, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at the drug stores of Ernest L. Allen, Claud M.
